In Memory

Mr. Alfred Dearing

Mr. Alfred Dearing graduated from Northeastern A&M in Miami. He received his Bachelor's Degree from Northeastern State, at Tahlequah and his Masters Degree from Kansas State at Pittsburg.

His teaching career spanned elementary, junior high, and high school in Quapaw. He came to the Commerce School System in 1952, first as Junior High Principal and math teacher, then on to Alexander as principal.

He was born in Quapaw and had lived in this area all his life. Mr. Dearing passed away in July, 1969.

To the Students of Commerce High School:

As I interpret the needs of our times, education is of more and more importance. No one knows what the future holds for anyone but with a sound background of training you will be better able to cope with the problems that confront you.

You know that life has responsibilities as well as rewards, failures as well as successes, tragedies as well as joys. You know that your school offers wonderful opportunities made possible by free people in a free society in the greatest country on earth. The qualities of mind, heart, and spirit of Commerce High School student body will perpetuate the good in our nation and find solutions for the many unsolved problems with which we deal. An enlightened people can keep our nation strong and free.

It is you the student who has made this so and it has been my privilege to work with you. To the Seniors, good luck, as you move forward to your future educational objectives. To the underclassmen, let's keep our school at its present high standards of student behavior and set our sights on even higher achievements.
